June 2010

Dear Village View Family,

Save the date!!! Yes, on Saturday, October 23, 2010, your Village View PTA will be presenting its 4th Annual Auction Gala....."I Love the 80's." This fun-filled evening will again be held at the Waterfront Hilton featuring the outstanding 80's tribute band, "Knyght Ryder."

As we are all aware, our educational system has been facing tremendous budget cuts and the quality of our children's education is at risk. We encourage all of you to participate in this important fundraiser benefiting our children. Event proceeds will fund field trips, art and music programs, library books, classroom technology, as well as other enrichment opportunities. Programs such as these are not paid for by our school district. They are solely provided by PTA funds made possible through your membership and donations. Without our community's support, these programs would not be available to our children.

As this school year comes to a close, our solicitation team has already begun working diligently to secure donations from inside and outside the community. **We need your help!!** Over the summer vacation, **we would like to encourage each and every one of you to secure donations from an employer, family or personal business and/or community friends.** "It is who you know that we strongly rely upon." All donations will be recognized in our auction catalog with a full description of the donation and a personal or business listing. Any type of donation is welcome and is tax deductible. Every contributor will receive a thank you letter that also represents a tax receipt.

Advertising opportunities are also available. Donation and Advertising forms are available by contacting Lori Sueki at 714.812.7065 or lsueki@socal.rr.com. We must receive all donations no later than October 1, 2010 in order to allow for printing time of the catalog. Please mail donations to the address below. If you prefer that your donation be picked up, you may contact Lori Sueki.

In order to afford our children those educational opportunities they so deserve, it takes a "village" to do so. We thank you in advance for your participation.

Sincerely,

*Nikky Kelso, Agatha Frank, Lori Sueki and Joey Ibarra-Romash
