All New Topics!

Science Bloopers

Take a look at some of the great science blunders and how they were turned into amazing discoveries. From electric circuits to dinosaur bones, some of the best science happens when you least expect it.

Extreme Earth

Discover the science of our planet, as we explore the processes that make the Earth shake. From tornadoes to volcanoes to earthquakes, we're on a mission to prove that science ROCKS!

Space Explorers

Discover how robots and astronauts explore other worlds and investigate the science behind the rockets that send them into space. Blast off on a journey to the outer reaches of our universe!

Wildlife Safari

Are you ready to go wild? Grab your gear, we're going on a safari! Embark on an animal adventure and uncover what makes each group of vertebrates on the planet extra wild!

Invention Dimension

Leap into where science and imagination mix to form amazing inventions. Launch a marshmallow with a Medieval Lever, discover how the Wright Brothers conquered the sky, and build a motorized pen!
