exciting Family fun Night

SCHOOL SCOOP!

Your PTA Newsletter

A Spring in your Step?

As we run up to summer, Jog-A-Thon beckons you and your student to speed up those running ambitions. This event is special as a fundraiser where the kids are not only the stars but also have the experience of raising contributions to their own school.

You too can contribute by encouraging your students to go for it, as well as by participating, pledging, or volunteering, as you can read on the next page.

If you have any thoughts on how the newsletter could be improved, or of other ways of communicating and collaborating within our community, please drop an email to ian@sansimba.com

PRESIDENT'S CORNER

IT'S COOL TO BE BACK IN SCHOOL!

Amy Brassard 714-840-5597 : aannbrassard@aol.com

Dear Parents,

I would like to take this time to talk to you about school safety especially during pick-up and drop-off. Please parents slowdown. Our school is in a residential neighborhood. We have all been guilty of speeding down Sisson myself included, but we must slow down and be aware of what is going on around us. In the back parking lot we seem to have a problem with people driving on the grass. I have almost been hit myself this year walking on the grass in the back parking lot during drop off. Please do not drop off on the grass. It is ruining the grass and is also unsafe for the kids who are walking on the grass to class. If we all just slow down relax and pay attention we can make Village View a safer place for our kids.

Thanks - Amy

Jog-A-Thon

Run for Fun

Join the fun, cheer on your favorite class and find out why our school is such a great community. Not only is this one of our biggest fundraisers, but it is also THE rowdiest way of enjoying sunshine time with friends and family, and getting kids involved in community fundraising.

The madness starts on Thursday, April 29th at 9AM with the K-1st grade, continuing on to 9:45-10:30AM with the 4th and 5th grades, and finally ending with 2nd and 3rd grades at 11:15AM to 12:00PM.

Look out for a Jog-A-Thon packet with details on the event, permission slips, and pledge sheets enclosed. It is very important to return those to school by the deadline so your child can participate in the fun.

Any and all help is appreciated so please feel free to email me, Marion Miele, at miele.marion7@gmail.com if you would like to help on the day of the event.

Boxtops Success!

Your participation continues to raise the funds we use to offer our students many fun and special activities. In the next contest the winning classroom who collects the most boxtops (per average/per class size) gets an ice cream party!

So let's keep making a difference together - a dime at a time!

Grocery Rewards

Please make sure your VONS (e-Scrip) and Ralphs shopper loyalty cards are currently linked to Village View.

INFO at www.ralphs.com / www.escrip.com, or contact mary.robson3@yahoo.com

Legoes and Kinex needed

The resource teacher needs used or new Legoes and Kinex for her students to play with at recess and lunch. Donations can be dropped off in the office.

Jamba Juice

Jamba Juice will return every Wednesday to sell smoothies for \$2 and \$4 at 12:50 pm. 20% of the sales will go back to Village View.

Healthy Treats Every Week

Fresh organic vegetables and tasty fruit boxes from Tanaka Farms are a healthy way to raise money for our school! In April, the weekly deliveries are on the 14th, 21st and 28th and bi-weekly shipments on the 14th and 28th. The original "produce" and "all fruit" boxes are \$30 per delivery, and a smaller produce box at only \$20 per delivery! INFO at www.tanakafarms.com or e-mail Janet Patterson (thepattersonclan@yahoo.com).

Recycling

Thanks to all the parents whose donations have taken us to over 1/4 of the way, and still going strong. Asking your friends and neighbors to contribute is a great boost as well!

The only drop off time is on Fridays from 8am-9am at the drop off area next to the Back parking Lot.

We ask that you bag aluminum cans and CRV plastic bottles separately before placing them in the recycling bin. We are not allowed to accept other materials, especially glass as it may break and create a safety issue for those near the bin.

INFO from Liane Donati at 714-377-9800.

5th Grade Promotion

Our 5th Grade Students will be promoting to middle school this year. In recognition of this mile stone, we will celebrate with our traditional pancake breakfast, memory books, T-shirts, and a promotional ceremony. Please look for emails and flyers coming out soon with dates, event details, requests for volunteers, etc.

INFO from Sue Halsey at shalsey@socal.rr.com - 714-454-8286

Drive'nDrop - Classroom Supplies

Thank you for a great response and all those supplies you provided for our teachers.
