A Year to Celebrate

This has been my first year at Village View and I have been quite simply stunned by the spirit and drive of the teachers, parents and kids.

We are sad to say farewell to those PTA members who got us to this point, and grateful that we will start the new year on a strong footing.

The rest of this newsletter describes the triumphs to which we all contributed and probably let pass by unnoticed in the bustle of our daily lives.

Have a great summer vacation and see you in the autumn - Ian Colvin

Presidential Farewell

It has been a true pleasure serving the past two years as your PTA president. It has been a very gratifying experience for me with great memories attached. As your PTA president I was forced to do things I didn't think I was capable of. I have grown so much as a friend, volunteer, leader and Mom during these past two years. I would like to thank the Parents, Teachers, Staff, and Principal for all of their support over the years. I hope that you continue to support all of the efforts in the upcoming school year. Without you, this year would not have been as successful as it was. Thank You for one of the most challenging, exciting and wonderful experiences of my life!

Sincerely,

Amy Brassard

Fun-damentals

The PTA balances fun and fundraising by hosting events such as Family Fun, Movie and Bowling Nights. Of course, even those events with a fundraising focus have strong elements of fun built in.

So, how much fun have we had?

Jog-a-Thon: everyone had fun, and kids raised a chunk of change

Grandparents Day: brought special people into your school world

Auction Dinner: glamorous, fun, and very profitable!

Movie nights: free movies with one big family

Family fun nights: village carnival time

Family sports nights: crazy team time

Financing the Future

Your generous contributions to PTA activities has meant some very significant improvements to our kids schooling experience.

There are so many programs, including:

After School Programs	Teachers supplies
Computers	Book fair
Field Trips	Literacy picnic
Assemblies	Read at Home program
Psychomotor classes	Special Olympics
Meet the Masters	Authors day and tea
Playground improvements	Teacher appreciation
Music equipment	Green appreciation
	Making memories

Fund Raising

The PTA is notorious for dreaming up wild schemes to help plug the gaps in the school district budget.

To date, we have raised nearly \$130k thanks to the generosity of parents and business partners.

It cost us approximately \$50k to generate this income.

Which left us with \$80k to contribute to the improved schooling of our kids.

Where did all that money come from? Well, to date, the following are the main sources of income:

Auction dinner - \$54k
Jog-a-Thon - \$27k
Grandparents Day - \$14k
Book Fair - \$7k
Rewards partners - \$4k
Tanaka Farms- \$3k
Box Tops - \$2k
Restaurant Night - \$2k
Family Fun nights - \$2k
PTA dues - \$2k

Recycling

While you enjoy all those BBQs, beach days and road trips this summer where the plastic bottles

and cans start piling up, please keep your school and your child's education in mind and save them for the Village View Recycling bin. It's as simple as a bucket or trash bag along side your trash to keep your recyclables ready for September.

Auction Gala

Thank you once again for supporting the Moonlight Masquerade Auction. It made an enormous impact on our school by providing funds for big ticket items such as playground equipment and computers for our classrooms. On October 23, 2010 the Village View PTA presents "I Love The 80's" Auction Gala featuring the band Knyght Ryder. "Don't Stop Believin" you can make a difference even over the summer!
