Dear Parents,

I would like to thank all of you who participated today in our wonderful Jog-A-Thon. This is the student's favorite fundraiser and if you were there today you can see why. I would also like to give a big thanks to Jocelyn Kliger and Marion Miele for planning and executing such a wonderful day for our kids. We are already planning for next year and are looking for someone to take over this position. If you are interested please contact me. Today was just another day that shows us why Village View is the greatest school in the world!

Thanks - Amy
